In the event the proposed amount is insufficient, approval will be sought at the next AGM for the shortfall.

Upon approval, this will facilitate payment of Directors' fees and benefits payable on current financial year basis. This for the purpose of granting a general mandate ("General Mandate") and if passed, will give authority to the Board to allot and issue shares up to a maximum of ten per centum (10%) of the total number of issued share capital (excluding treasury shares, if any) of the Company at any time in their absolute discretion and that such authority shall continue in force until the conclusion of the next AGM of the Company or the expiration of the period within which the next AGM is required by law to be held or revoked/varied by resolution passed by the shareholders in general meeting, whichever is the earlier.

The waiver of pre-emptive rights pursuant to Section 85 of the Act and Clause 4.2 and Clause 13.2 of the Constitution will allow the Directors of the Company to issue new shares of the Company which rank equally to existing issued shares of the Company, to any person without having to offer the new shares to all existing shareholders of the Company prior to issuance of new shares of the Company under the General Mandate.
